

## Gas Training Courses & Assessments:

# ACS Gas Training & Assessment.

### Course Overview:

The national Accredited Certification Scheme (ACS) is the industry recognised and accepted route for operatives to gain a certificate of competence which is needed to become a member of the Gas Safe Register. The scheme is overseen by the United Kingdom Accreditation Scheme (UKAS).

**cert-ain**  
certification ltd

### Who is this training course for?

This course comprises of two routes of assessment. **Initial Assessment**, for operatives doing ACS for the first time or if an operative's existing certificate has lapsed for more than 6 months from its expiry date, and **Re-Assessment**, for existing operatives who need to re-new their qualifications which needs to be done every 5 years.

### Course Duration:

Course duration is dependent on which assessment or assessments are being undertaken. Please speak to a member of our Training Team on 01922 612121 for further details.

### Assessment Modules available:

- ◆ CCN1 - Core Gas Safety.
- ◆ CMA1 - Core Meter.
- ◆ CENWAT - Boilers & Water Heaters.
- ◆ HTR1 - Fires & Wall Heaters.
- ◆ CKR1 - Cooking Appliances.
- ◆ MET1 - Meters.
- ◆ DAH1 - Warm Air Heaters.
- ◆ CPA1 - Combustion Performance Analysis.

Refresher training is available for all modules but is not a pre-requisite for assessment.

### Training & Assessment methods:

Candidates will be assessed both practically and theoretically throughout the duration of this course.

### Course Achievements:

Successful candidates will be awarded Cert-ain certification of ACS Competence for any modules they undertake enabling them to register with Gas Safe.

### Progression Routes:

Successful candidates will be able to progress onto the LPG (Liquid Petroleum Gas) Changeover training and assessment course and/or the LOGIC Essential Electrics and Boiler Fault Finding course.

### Additional Information:

Candidates will need to hold current or pre-requisite qualifications to undertake the ACS assessments. If you are unsure, speak to a member of our Training Team on 01922 612121 who can advise you accordingly.
