

Electrical Training Courses & Assessments:

Domestic Electrical Installer 'Part P'.

Course Overview:

From 1st January 2005, a new section of the Building Regulations came into force affecting the installation of electrical fixed wiring in and around domestic dwellings. It is now a LEGAL requirement for electricians, kitchen installers, bathroom installers, gas installers and other trades involved in carrying out electrical installation work to comply with 'Part P' of the Building Regulations. This course is updated to BS7671:2008 (2015).

Who is this training course for?

This course is aimed at candidates who already have limited electrical knowledge. If you are unsure, please call a member of our Training team on 01922 612121 who can advise you accordingly.
