

# Level 2 VRQ Diploma in Plastering.

**cskills**  
awards

### Course Overview:

The Level 2 VRQ Diploma in Plastering course is designed to enhance the knowledge, skills and confidence required to work competently within the painting and decorating industry and has been specifically developed for delivery in our purpose built training centre using simulated conditions.

### Who is this training course for?

No prior training is required for this course which is open to both male and female candidates aged 16 years and over and although it has been designed as a natural progression from the Level 1 Plastering course, it is also available to experienced workers looking to acquire recognised qualifications and certification.

### Course Duration:

Variable. This course can be attended either weekends, weekdays or evenings. Please speak to a member of our Training Team on 01922 644440 for further details and for course availability.

### Topic Areas Covered:

- ◆ Carry out safe working practices in construction.
- ◆ Knowledge of information, quantities and communicating with others.
- ◆ Knowledge of building methods and construction technology.
- ◆ Applying plaster materials to external surfaces.
- ◆ Fix dry lining and plasterboard materials to interior surfaces.
- ◆ Form sand and cement screeds.
- ◆ Produce plaster components.
- ◆ Applying plaster materials to interior surfaces.
- ◆ Position and secure fibrous plaster components.

### Training & Assessment methods:

This is a mixture of hands-on practical training and theoretical work, observation, written assessments and examinations.

### Course Achievements:

Successful candidates will receive fully accredited Level 2 VRQ Diploma in Plastering certification and qualification.

### Additional Information:

Candidates undertaking this course are required to wear suitable clothing and safety footwear.
